**Muskogee People Think Den-
nis Flynn is Looking
For Trouble.**

The Muskogee Times says: Hon. Dennis Flynn, of Oklahoma was in town for a few hours today. He is largely interested in mining property in the northwestern part of the territory. It is stated however that his business here today has no relation to mining property and that he is getting data for a little investigation of federal officers in the territory. Mr. Flynn has always aimed high and the game he now looking for is, if reports be true "some of the finest." Several people are standing on the "tip-toe of expectancy" waiting to see the outcome of his visit.

Mr. Flynn believes the future of this territory—that is, the immediate future—rather uncertain. There seems to be no way, no satisfactory way out of the dilemma. Annexation to Oklahoma as the different sections in the territory are ready. This is Dennis' ultimatum, and if the Republican party remains in power it will come pretty near following out the suggestion. There is hardly a conceivable condition worse than the present and from very despair the people will be driven to join Oklahoma.

**Itching Burning Scaly
Blotchy Humors
Instantly Relieved
and Speedily Cured by**

Cuticura

The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse and would keep me awake a greater part of the night. I consulted doctor after doctor, as I was traveling on the road most of my time, also one of our city doctors. None of the doctors knew what the trouble was. I got a lot of the different samples of the medicines I had been using. I found them of so many different kinds that I concluded I would have to go to a Cincinnati hospital before I would get relief. I had frequently been urged to try CUTICURA REMEDIES, but I had no faith in them. My wife finally prevailed upon me to try them. Presto! What a change! I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years when I could have used CUTICURA remedies. H. JENKINS, Middleboro, Ky.

***Complete Treatment \$1.25,**

Consists of CUTICURA SOAP (25c.), to cleanse the skin of crusts and scales and soften the thickened cuticle, CUTICURA Ointment (50c.), to instantly allay itching, irritation, and inflammation, and soothe and heal, and CUTICURA RESOLVENT (50c.), to cool and cleanse the blood. A SINGLE SET is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humors, rashes, and irritations, with loss of hair, when physicians, hospitals, and all else fail. Sold throughout the world. PORTER DRUG AND CHEM. CORP., Sole Props., Boston. "How to Cure Itching Humors," free.

Millions of Women Use Cuticura Soap

Exclusively for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and healing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sanative antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated or toilet soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, and the BEST toilet and BEST baby soap in the world.
